**Comments:**

- *A good program, a more favorable format this year.*
- *Would like to suggest Hawaii for the meeting.*
- *Need sequential time for workshops.*
- *Great carotid papers. How to sessions are great.*
- *Excellent program.*
- *Would like to suggest dimming lights for videos, getting more members to attend meeting, avoid cliques in leadership, junior speakers need to practice with mentors & avoid high-speed verbal presentations.*
- *Breakouts, video sessions & postgraduate courses were excellent. The distribution of educational sessions was excellent – allowing some daytime, free time to enjoy the resort amenities.*
- *Would like to suggest additional paper session on Friday, adjourn 12:00 – 12:30 p.m. on Saturday.*
