

## Friday Breakfast SIG Sessions 6:30am – 7:45am

### SIG 1: Community Vascular Surgeons: Challenging Cases

**Moderator:** *Alan M. Dietzek, MD; Danbury Hospital, Danbury, CT*

#### **Description**

Community vascular surgeons present the specifics of difficult and/or unique cases they have handled in the past 12 months, or are currently pending. This informal session provides the opportunity to discuss diagnoses and outcomes, specific techniques and unexpected events when treating these difficult and challenging cases.

### SIG 2: Wound Care Management

*Supported by a grant from GWR Medical, Inc.*

**Chair:** *Paula M. Muto, MD; Caritas Holy Family Wound Clinic, Methuen, MA, USA*

- |                       |  |
